

# Total Window Cord Drawn 5300 Track System

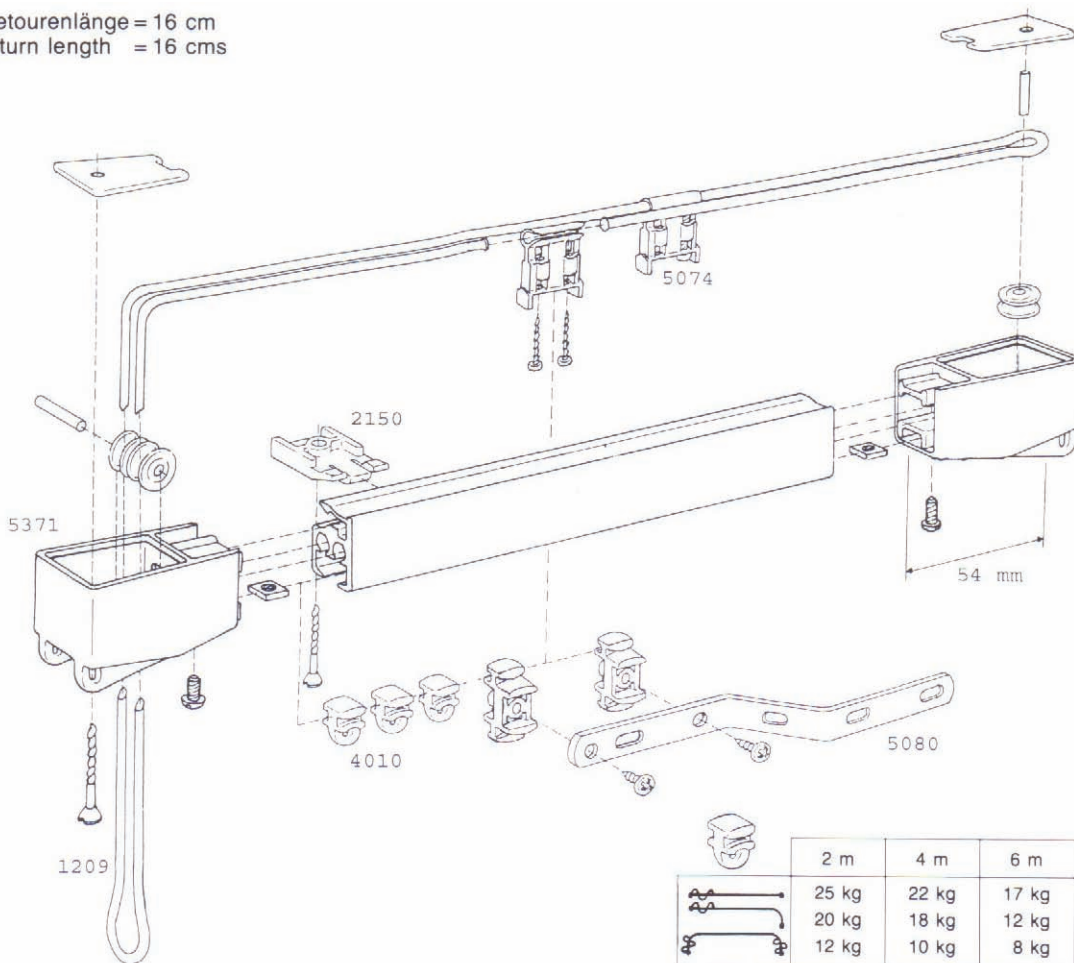

## Cord Drawn System 5300

The cords are contained in separate channels inside the track. System 5300 can be curved with a radius of 10 cms, 20 cms, and from 40 cms upwards. The minimum guide return length with a 10 cms radius bend is 16 cms. Given a system length of 6.0 mts the maximum curtain weight is 17 kg. If required the cording set can be assembled or adjusted after the track has been installed.

**Standard Colors:** *silver or gold anodised and powder coated white or brown.*

Min. Retourenlänge = 16 cm  
Min. return length = 16 cms

	2 m	4 m	6 m	8 m
	25 kg	22 kg	17 kg	12 kg
	20 kg	18 kg	12 kg	8 kg
	12 kg	10 kg	8 kg
